On September 18, 2018, Mr. Poomsak Aranyakasemsuk, Director General of Public Debt Management Office, presided over the celebration ceremony of the PDMO 16th Anniversary at the Ministry of Finance. The ceremony was joined by many honorable guests from the Ministry of Finance, international organizations, state-owned enterprises, commercial banks, the Bank of Thailand, other government agencies and private sectors. Moreover, the new PDMO Website was launched to provide public debt information including related necessary data on a single website. Upon the celebration of 16th anniversary and stepping into the 17th year, PDMO is transforming towards Digital PDMO through 4 main digital channels: PDMO website, PDMO Application, PDMO Facebook and PDMO Twitter. These channels were developed to provide the public and all relevant agencies an easy access to public debt management services and information. The PDMO strategy is in accordance with the Thailand 4.0 national policy and adheres to the PDMO's vision of "Manage public debt to foster stable and sustainable economic and social development".
